Genuine Hi-Def
recorded by a full size real TV camera
visual quality far beyond DSLR cameras
-please note a few package conditions below-

The above is a special new package for value & budget-sensitive clients who seek the most experience & the best Hi-Def visual quality for their event but do not require an abundance of coverage, features & frills. This is by far the best valued event video package in the GTA, far better than low-end "package deals" offered by some caterers and those using below standard equipment! The above may be upgraded with various features, please check our **MAIN PRICELIST** accessible by email. Please phone or email & we'll discuss or email you information on other available more elaborate packages. All editing work is done by Josh...editing is never sent to outside services.

A few conditions for the VALUE package

Pricing is for smaller (under approx. 200 guests) & less elaborate events that do not require additional assistance, at nearby easy-to-access venues. Limited availability especially during Sundays, holidays & premium dates. Additional \$400. fee for advanced bookings on premium dates. Distant travel fee may apply. Four or six hour coverage at one location, timing starts one hour before formalities begin.
